Any personal data provided to the Company or collected by it using cookies is controlled and processed by Abrasive Technologies LLC, the personal data operator.

By using the Company's websites, you agree to the Cookie Policy. If you do not agree to this Cookie Policy, you can adjust your browser settings accordingly to disable cookies, or completely discontinue use of our websites.

2. Definitions and Purposes

Cookies are small files downloaded to a visitor's device (e.g., a computer, smart phone, or tablet) when they visit a particular Website. Cookies are then sent back to the Website that created them on each subsequent visit. Cookies are widely used to ensure the operation of Websites and improve their performance. Cookies allow the Website to recognize a visitor's device and remember actions, and selected settings over a period of time.

3. Types of Cookies Used on the Company Websites

The following cookies are used on the Company Websites:

Functional Cookies

Mandatory for the proper operation of the Website and cannot be disabled. They improve website performance and user experience.

Advertising (Marketing) Cookies

These cookies are used to provide content that is most relevant to the user's interests. They are also used to display target advertising, collect information about search queries, and measure the effectiveness of advertising campaigns.

Statistical and analytical cookies

These cookies are used to collect aggregated information about how users interact with the Website (for example, the most frequently visited pages of the Website or the time spent viewing pages). The Websites use Yandex analytics services – Yandex Metrica. For more information on Yandex's privacy policy, please visit: https://yandex.com/support/metrica/en/general/how-it-works.html?lang=ru
